1.2. “Business Project” or “Project” means the business operated by the Beneficiary and that was approved for the incentive.
1.3. “the dti” refers to the Department of Trade and Industry care of Incentive Development and Administration Division (IDAD), Block A, 77 Meintjies Street, Sunnyside, Pretoria; Private bag X84, Pretoria, 0001.

2. NATURE OF THE INCENTIVES

2.2. The Beneficiary has no authority to bind or attempt to bind the dti in any manner or to assume or to incur any obligation or responsibility, expressed or implied on behalf of or in the name of the dti.

3. INCENTIVE GUIDELINES AND ECONOMIC POLICIES OF the dti
The incentive guidelines and/or this schedule may be amended from time to time. Amendments to the guidelines and/or this schedule will be published on the dti website and will be effective immediately. Beneficiaries, whose applications have already been approved will only be affected by retrospective amendments if it is not prejudicial to them or to the dti.
Where the Beneficiary is of the opinion that a word or sentence in the incentive guidelines or this schedule is vague and/or has to be interpreted, the Beneficiary must not make its own interpretation. the dti has the right in its sole discretion, to provide interpretations on the meaning and intention of such words or sentences. Such decisions are binding on all Beneficiaries.
The Beneficiary is required to familiarise itself with the economic policies of the dti. Any failure to conduct its business in line with such policies may result in the Beneficiary being regarded as having contravened the terms of this schedule. Specifically the Beneficiary is reminded of the dti’s Competition and Consumer Laws, BBBEE policy, as well as the dti’s efforts to phase out import parity pricing in favour of non discriminatory pricing and the efforts to promote downstream beneficiation. Should the Beneficiary not be in compliance with these policies, it shall be expected of the Beneficiary to submit with its claims an adopted business plan indicating how it is striving to so become compliant.

4. APPROVAL OF THE INCENTIVE APPLICATION AND SUBMISSION OF CLAIMS
4.1. The approval set out in the letter of approval is only relevant to the specific business project that applied. A business project, activity or expenditure can only qualify once for an incentive (unless the incentive guidelines states different). A Business Project will be disqualified if it contravenes this clause.
4.2. No representation, communication (including official dti letters), or offer made prior to the approval of the application/claim shall be valid in so far as it does not agree with the letter of approval, or the requirements of the claim.
4.3. No information may be submitted with the claim on any, or part of any, project other than the business project that has been approved.
4.4. The calculation method of the maximum incentive approved, replaces any calculation method explained in the incentive Guidelines and shall be final. The approved maximum amount is fixed and shall not be adjusted due to changes in macroeconomic variables like inflation -; exchange -; or interest rate etc.
4.5. The Beneficiary is not automatically entitled to the full amount of the maximum incentive offered. the dti further reserves the right to correct any calculation error at any stage before or after approval / payment. A further calculation will be made based on the figures set out in the claim form. This calculation may result in an amount that is less than the maximum amount, but can never be more than the offered maximum amount.

5. AMENDMENTS TO THE INFORMATION SUBMITTED BY THE BUSINESS PROJECT
Any change (including amendment, addition or variation) in the information set out in the application which is relevant to the approved incentives, must immediately be communicated to the dti in writing. This includes, but is not limited to, changing an approved Network Facilitator or Service Provider, and changes to time frames.

The Beneficiary must request written approval from the dti that the planned changes do not affect the incentive in a manner that is unacceptable to the dti, before the planned changes take place. The decision to amend the information submitted for the incentive shall be solely in the discretion of the dti and is final.

the dti may accept the change; or may refuse to make the change applicable to the approval; or may accept the change as part of the approval, but make the approval subject to (additional / other) conditions; or may reject the whole application or claim based on the planned changes. The application or claim shall be rejected where, amongst others, the Beneficiary will no longer qualify for the incentive because of the planned changes.
